PROCOUNTOR FINANCIALS – PRICE LIST

PRODUCT PACKAGE FEATURES AND MONTHLY FEES

Procountor Financials is available in First, Light, Basic, Plus, Max, Premium and Unlimited packages. Broader packages include more features. The desired package is selected in the process of creating a Procountor environment and the version can be changed. Regardless of the package, wider functions can be added at an additional cost.

Procountor Financials software has no user-based fees. Unlimited user accounts can be created for users of the customer company and their possible accounting office without any charge.

FEATURES	FIRST	LIGHT	BASIC	PLUS	MAX	PREMIUM	UNLIMITED

Salary slips / pc**	€ 6.89	-	-	-	-	-	-

The number of monthly vouchers does not include salary slips in First package.
*** In all other packages the charge is based on the number of persons in salary calculation, whereas in the First package the charge is based on the amount of salary slips.*
**** In all other packages salary slips are included in monthly vouchers and if the number of monthly vouchers exceeds the monthly vouchers of the package, the exceeding vouchers are charged with additional voucher price. In the First package salary slips are not included in monthly vouchers, but they are always charged separately with the salary slip price.*

Transactions included in and exceeding the monthly package will be calculated during the next monthly invoicing following the creation of the transaction. Vouchers include sales and purchase orders, travel and expense invoices, memorandum vouchers, VAT summaries, official reports, mass letters, payment reminders, documents and direct transfers.

* In Procountor's mobile app verifying and approving invoices are available free of charge. Creating new travel and expense invoices and photographing receipts are chargeable functions. The monthly fee is based on the number of environments the user is connected to. E.g. if the user is connected to 2 environments and uses chargeable functions in both of them, the monthly fee will be 2 x €7.90.

** The pricing of Procountor API is the following: basic fee + the software specific fee(s) for the integrated software. For example:

> API integration for one software 12,98 € (10,99 € / month + 1,99 € / month)
> API integration for two software 14,97 € (10,99 € / month + 2 x 1,99 € / month)

*** Group consolidation charge is per environment. Additional Procountor Financials environment must be opened for connection.
