

PROCOUNTOR TRAINING SELECTION

START-UP PACKAGES

You can select a start-up package from a range of alternatives when signing a Procountor agreement. The start-up package training courses explain electronic financial management, how to start using Procountor and the essential functionalities of the software.

CUSTOMER-SPECIFIC CONSULTING (€150/H)

We offer consulting and training on Procountor customized exactly to your company's needs. You can choose a suitable set of training packages that can then be carried out using your own computer, Procountor environment and materials. Several persons can participate in the training.

REGISTERING FOR THE TRAINING COURSES AND THE GENERAL TERMS OF TRAINING

Training sessions can be arranged at the Accountor Finago office or using a remote connection tool. If training is arranged on the customer's premises, travel time €80/h and expenses will be charged for travel outside the Helsinki metropolitan area. The minimum charge for travel time is €80.

Customer specific training is booked by e-mail at koulutus@finago.com.

Any cancellations must be made no more than 2 days before the training date, or we are obliged to charge 50% of the training price. A VAT is added to all prices.
